**Memory Keepers Workshop & Time:** Work on our photos! Whether organizing printed photos or in your FOREVER account, scrapbooking or digital scrapbooking - this time is for accountability and fellowship. Virtual or in person.

**Virtual Workshops:** Pretty much the same as Memory Keepers Time but with some extra 'teachings' from FOREVER's pixels2Pages team, FOREVER or Creative Memories' Home Office. Virtual. Free or Fee.

**No-Frills Workshop:** More Memory Keepers Time, but in person! I'm available to help and answer questions and we will be joined by my other team members and their clients. In-person (mostly greater Cincinnati area). Fee (depends on event).

**For Always, For You:** New to For Always and/or FOREVER? Know someone who \*needs\* FOREVER? Trying to figure out where to begin, what you need, and how to manage your photos & have fun in the process? For Always, For You are times to meet & chat with me and others, tell me what you need & get your questions answered – it's like an intro from you and from For Always! TELL A FRIEND (3rd Sun; 7pm)
